Stay connected to action research by following the Canadian Journal of Action Research

CJAR is a freely accessible, peer-reviewed electronic journal. It is the only Canadian journal dedicated exclusively to action research.

Follow @journal_action to:

- **Stay connected**
  Join the online community of action researchers and teachers to stay engaged with projects as they happen.

- **Learn about opportunities to publish & present**
  Be among the first to see calls for papers and reviews. Hear about opportunities to present in conferences.
